Dear PayPal's,

We're debiting the payment for your Ties Planet Ltd. purchase

We've initiated a withdrawal of £12.98 GBP for the purchase you made from Ties Planet Ltd. on 1 December 2015. You chose to pay after delivery for this purchase, so the payment was delayed by 14 days.

The money will be debited from your Bank account. The payment will show on your bank statement as a PayPal purchase.

If your bank can't complete this payment, we'll use your backup payment method – your Visa/Delta/Electron.

To see the transaction details, [log in](#) to your PayPal account and select this transaction. You can change how you want to pay for future purchases by selecting **My Money** from your [Profile](#) page.

Although the payment for this purchase is being processed now, if the item doesn't arrive or it's significantly not as described, you have 180 days from the date you placed the order to report a problem in the [PayPal Resolution Centre](#).
